## **ESTHER GARCIA and the DYNAMIC ART GROUP**

To care for the Earth, we must use the Heart. In both words we can find the word “Art” – the language and the music of the Heart. To rekindle the love for Manila Bay, you organized an exhibit of accomplished artists.

Together, you painted the prettiest pictures of the beauty and bounty of the Sea.  
Thank you for joining us in this journey of a dream – the dream of a clean Manila Bay.  
On behalf of grateful Filipinos and of your friends around the world,  
***Maraming, Maraming, Maraming Salamat!***
